Summary: Ever wonder what the Poke-Senshi would be like? Here where to find out! It's not a lot, but it starts the whole thing!

A Silver Lining!

She stood over the world of Pokemon. The people she watched over didn't know here, nor would they. It might scare the most of them. What a mess that would be. So, you ask me who she is. That is easily enough said. She is the watcher, she protects the world from evil. Her name... Her name is... Lady Katella, Guardian of this Poke World!

A Silver Lining! Part 1, A Mission is assigned (and we've already met the Queen of Pokemon!) (prologue)

Katella's most trusted servant , Lily, rushed into the Watching Room. "Ma'Lady! We must get you out of here!" She said as she tried to catch her breath.

"Why, young one?"

"Them." She pointed to the screen where the Poke World was displayed. It flashed, showing Lily and Katella about a dozen rather large ships, with about 10,000 smaller ships swarming around it.

"What the?"

"Our worst fears, ma'am. The Can'tra are seeking revenge. They are after you."

"But that means I can't leave. I have to protect this planet."

"No offence, but, I don't think *you* could fight all *those* guys."

Katella paused. "How long before they get here?"

Lily pondered this for a moment. "At least a month or two. Why?"

"That'll be just enough, overdoing it a bit, but enough. Are you thinking what I'm thinking?" Katella turn and stepped into the light. She had blonde hair, brown eyes, and looked like she was in her twenties (but she isn't, she's at least 1,000 years old!).

"Your court? But..."

"We can find them. We did last time, didn't we?"

"I wouldn't remember, I wasn't here."

"Oh, your kidding!? You must have learned it in that school of yours. Anywho, follow me, young one." Katella walked over to a small safe, pulled out a key, and unlocked it. She pulled out a small, velvet bag, and handed it to Lily. Then, turned around and grabbed the other bag, and handed it to Lily. "Your mission, young one, is to go to the planet, and find my court." Katella put a hand on Lily, telepathically giving her more detailed instructions.

Lily nodded. "As you command, ma'lady. I will not fail!" Lily turned and walked out of the room, leaving Katella. The screen flashed to a count down.

"Good luck, young one." would be the last Lily will hear from Katella.
